SUMMARY

Computer Science undergraduate with a strong foundation in Java, MySQL, and Data Structures & Algorithms. Solved 200+ DSA problems on platforms like LeetCode and built software projects focused on backend application development. Passionate about backend engineering and writing efficient, scalable code while continuously improving through hands-on projects and learning.

EDUCATION

Galgotias University

2024 – 2028

B.Tech in Computer Science and Engineering — **CGPA: 9.37**

Greater Noida, India

B.D.S Vidya Mandir

2022 – 2023

Class XII — **Percentage: 78.3%**

Noida, India

PROJECTS

Hang-man-Game [↗](#)

- Developed an interactive Hangman game web application with a responsive interface, allowing users to guess letters, track attempts, and receive visual feedback during gameplay.
- Implemented game logic and backend data management to store user information such as scores, completed games, progress statistics, and hint usage.

Online Banking System [↗](#)

- Implemented core banking functionalities such as balance inquiry, fund transfer, and transaction history using Java Servlets for backend processing and database interaction.
- Designed a responsive and user-friendly interface with HTML and CSS, ensuring smooth navigation, secure authentication, and efficient handling of user banking operations.

TECHNICAL SKILLS

Languages: Java, C, MySQL, Python

Developer Tools: VS Code, IntelliJ Idea, Solid Work

Skills: Data Structures & Algorithms, Database Management System, Object-Oriented Programming (OOP)

ACHIEVEMENTS

Competitive Programming: Solved 200+ Data Structures and Algorithms problems on platforms like LeetCode and GFG etc.

Academic Achievement: Maintained strong academic performance in Computer Science subjects including DSA, DBMS and OOPS.

CERTIFICATIONS

- C Programming - HCL GUVI
- Object Oriented Programming - HCL GUVI
- Database Programming with SQL - Oracle

EXTRACURRICULAR

- Actively participated in technical workshops, enhancing practical skills and understanding of industry-relevant tools and technologies.
- Engaged in college club activities and events, contributing to teamwork, communication, and collaborative problem-solving.
